Please find the attached letter & letter below for House bill 4093 in regards to the wage issue for junior hockey players in Portland. I would ask to have it put on the record.

To the Oregon state senate:

Please find the attached PRO NHL Contract for Portland winter hawks player Cole Kehler. This player has received \$ 75,000 in 2017 in signing bonuses. and is due another \$ 80,000 in 2018 and \$ 80,000 in 2019 in signing bonus . (as indicated in S.Bonuses) While playing with the Portland winter hawks.

Cole also has P Bonuses (performance bonuses) \$ 25,000 for 2017 and 70,000 for 2018 & \$ 20,000 for 2019

For a grand total of : \$ 350,000

On Feb 12 2018 at the house committee on business and labour (at 21:26 of the record) Rep Sherri Malstrom read into the record a statement from Commissioner Dick Schouten. The statement referred to section 2015-ors 656.027 (13) who are subject workers.

Mr Schouten and Rep Malstrom attempted to try and classify Portland winterhawks players as amateur under the rules of the OIC and USOC (olympic committies)

I would now submit to you that this section should apply to Portland and give cause NOT to pass HB 4093 for the reasons in the section that state the following.

A person who has been declared an amateur athlete under the rules of the United States Olympic Committee or the Canadian Olympic Committee **and who receives no remuneration for performance of services as an athlete** other than board, room, rent, housing, lodging or other reasonable incidental subsistence allowance,

Clearly this player has receive more money that is allowed under the act. We ask to vote NO for bill HB 4093 and have it dismissed.
