

SUBCOMMITTEE RECOMMENDATION

SB 1565

Relating to methods of public procurement

SB 1565 creates two pilot programs relating to statewide procurement practices: one to test “reverse auctions” and one to test 30% weight for price. The Department of Administrative Services will report regularly to the Governor and to the Joint Committee on Information Management and Technology on the status of the pilot programs.

The Capital Construction Subcommittee recommends SB 1565 be amended by the –A5 amendment and be reported out do pass, as amended.
