

SUBCOMMITTEE RECOMMENDATION

SB 5701

Capital Construction

SB 5701 is the budget bill for capital construction projects. The bill establishes authority for the acquisition of land and the planning, design, repair, and construction of projects with costs over \$1 million. Projects are funded with proceeds of bonds authorized in SB 5702, as well as other revenue and federal grants received by agencies.

The Subcommittee recommends additional capital construction expenditure limitation for the 2017-19 biennium of \$90.2 million Other Funds and \$12.5 million Federal Funds. The bill also increases 2015-17 capital construction limitation for two projects. The budget report provides a detailed list of capital construction project descriptions and recommended amounts.

The Capital Construction Subcommittee recommends SB 5701 be amended by the –1 amendment and be reported out do pass, as amended.
