After a qualifying round to determine the championship team from each chamber, a House and Senate team will square off to see who takes home the coveted trophy. Teams are assembled based on chamber, and lobby members have been drafted to each team respectively.

Come see whether Sen. James Manning and The Whitney All-Stars or Sen. Chuck Thomsen and The WheelBarrows represent the Oregon Senate in the Final. This tournament is an effort to reboot a traditional one that once took place every session. Thus far, \$3,000 has been raised with a hope to reach \$5,000.
