Measure Description:

Allows applicant for construction contractor license with residential general contractor or residential specialty contractor endorsement who has specified amount of experience in construction-related activities on residential or small commercial structures to obtain license and endorsement without meeting contractor training requirements or paying fees to Construction Contractors Board.

Government Unit(s) Affected:

Business Development Department (Business Oregon), Construction Contractors Board (CCB), Department of Consumer and Business Services (DCBS), Higher Education Coordinating Commission (HECC)

Analysis:

The proposed legislation has been determined to have

MINIMAL EXPENDITURE IMPACT

on state or local government.

While this individual measure has a “Minimal” fiscal impact, an agency may incur a net fiscal impact greater than minimal depending on the cumulative impact of all measures enacted into law that affect the agency.
