Be It Enacted by the People of the State of Oregon:

GENERAL DEFINITIONS

SECTION 1. ORS 455.010 is amended to read:

455.010. As used in this chapter, unless the context requires otherwise:

(1)(a) “Advisory board” means the board with responsibility for assisting in the adoption,
amendment or administration of a specialty code, specifically:

(A) The Building Codes Structures Board established under ORS 455.132;

(B) The Electrical and Elevator Board established under ORS 455.138;

(C) The State Plumbing Board established under ORS 693.115;

(D) The Board of Boiler Rules established under ORS 480.535;

(E) The Residential and Manufactured Structures Board established under ORS 455.135;

(F) The Mechanical Board established under ORS 455.140; or

(G) The Construction Industry Energy Board established under ORS 455.492.

(b) “Appropriate advisory board” means the advisory board that has jurisdiction over a particular code, standard, license, certification or matter.

(2) “Department” means the Department of Consumer and Business Services.

(3) “Director” means the Director of the Department of Consumer and Business Services.

(4) “Low-Rise Residential Dwelling Code” means the adopted specialty code prescribing standards for the construction of residential dwellings that are three stories or less above grade and have an exterior door for each dwelling unit, but are not facilities or homes described in ORS 443.400 or transient lodging.

(5) “Municipal building official” means a person who is charged by a municipality with responsibility for the administration and enforcement of a building inspection program in the municipality and is:

(a) An employee of the municipality;

(b) Employed under an intergovernmental agreement that provides for the person to supply administration and enforcement services for respective building inspection programs of municipalities; or

(c) Employed by a council of governments to supply administration and enforcement services for respective building inspection programs of member governments.

(6) “Municipal inspector” means a person who performs routine enforcement of one or more state building code specialty codes or parts of one or more specialty codes for a municipality and is:

(a) An employee of the municipality;

(b) Employed under an intergovernmental agreement that provides for the person to perform routine enforcement of one or more state building code specialty codes or parts of one or more specialty codes for respective building inspection programs of municipalities;

(c) Employed by a council of governments to perform routine enforcement of one or more state building code specialty codes or parts of one or more specialty codes for respective building inspection programs of member governments; or

(d) Performing under actual or apparent authority as an agent on behalf of the municipality.

(5) “Municipality” means a city, county or other unit of local government otherwise authorized by law to administer a building code.

(6) “Prefabricated structure” means a building or subassembly that has been in whole or substantial part manufactured or assembled using closed construction at an off-site location to be wholly or partially assembled on-site. “Prefabricated structure” does not include a manufactured dwelling, recreational structure or recreational vehicle, as those terms are defined in ORS 446.003.

(7) “Specialty code” means a code of regulations adopted under ORS 446.062, 446.185, 447.020 (2), 455.020 (2), 455.496, 455.610, 455.680, 460.085, 460.360, 479.730 (1) or 480.545, but does not
include regulations adopted by the State Fire Marshal pursuant to ORS chapter 476 or ORS 479.015 to 479.200 and 479.210 to 479.220.

[(8)] (10) “State building code” means the combined specialty codes.

[(9)] (11) “Structural code” means the specialty code prescribing structural standards for building construction.

[(10)] (12) “Unsafe condition” means a condition caused by earthquake which is determined by the department or any representative of the department to be dangerous to life and property. “Unsafe condition” includes but is not limited to:

(a) Any portion, member or appurtenance of a building that has become detached or dislodged or appears likely to fail or collapse and thereby injure persons or damage property; or

(b) Any portion, of a building or structure that has been damaged by earthquake, or by fire or explosion resulting from an earthquake, to the extent that the structural strength or stability of the building is substantially less than it was prior to the earthquake.

BUILDING OFFICIAL AND INSPECTOR QUALIFICATIONS

(e) A person designated by the Director of the Department of Consumer and Business Services to ensure compliance with a specialty code or with any requirement for a license, registration, certification, endorsement or other authorization to perform work [related to the administration and enforcement of] regulated under the state building code.

SECTION 3. ORS 455.720 is amended to read:
455.720. (1) In accordance with applicable provisions of ORS chapter 183, to promote effective
and uniform enforcement of the state building code by improving the competence of building officials
and inspectors, the Director of the Department of Consumer and Business Services, with the advice
of the advisory boards, shall:
   (a) Establish for building officials and inspectors reasonable minimum training and experience
   standards, including but not limited to courses or subjects for instruction, facilities for instruction,
   qualification of instructors and methods of instruction. The standards shall include provisions for
determining a practical experience equivalent.
   (b) Establish a procedure to be used by municipalities to determine whether a person meets
   minimum standards or has minimum training to [be appointed or employed] provide services as a
   building official or inspector. The procedure shall allow for a field examination of a person to de-
dtermine if the person meets the practical experience equivalent of a minimum standard.
   (c) Subject to such terms, conditions and classifications as the director may impose, certify
   building officials as being qualified, and revoke such certifications in the manner provided in ORS
   455.740.
   (d) Require an applicant for a certificate as a building official or inspector to demonstrate
   knowledge of the laws governing accessibility to buildings by persons with disabilities by passing
   an examination prescribed by the director.
   (2) The director shall maintain and, upon request of [municipalities, furnish information on ap-
   plicants for appointment or employment as building officials or inspectors.] a municipality, furnish
   information on candidates for the provision of municipal building official services, or mu-
nicipal inspector services, to the municipality.
   (3) Pursuant to ORS chapter 183, the director shall adopt rules necessary to carry out the cer-
tification programs provided by subsection (1) of this section.
   (4) The director, by rule, may require evidence of completion of continuing education covering
any certification created under this section as a condition of maintaining the certification. Nothing
in this subsection shall prohibit the director from delegating any of this power to a municipality.
   (5) The director, with the advice of the appropriate advisory boards, may adopt rules for certi-
fying inspectors as being qualified to enforce one or more particular specialty codes, subject to any
terms, conditions and classifications the director may impose, and for revoking those certifications
in the manner provided in ORS 455.740.

SECTION 4. ORS 455.723 is amended to read:
455.723. (1) The Director of the Department of Consumer and Business Services, with the advice
of the appropriate advisory boards, may adopt rules establishing one or more programs to train,
qualify and certify an individual as a specialized building inspector authorized to enforce [portions]
parts of specialty codes. Notwithstanding ORS 455.720 (1) and 455.725, the rules may include, but
need not be limited to, rules that establish:
   (a) Work experience, training and other qualifications for program participation;
   (b) Content and presentation requirements for training programs;
   (c) Methods for verifying the qualification of the individual to enforce [portions] parts of spe-
cialty codes as a specialized building inspector certified under this section;
   (d) The [portions] parts of various specialty codes that each program will enable a qualifying
individual to enforce and any terms, conditions or classifications applicable for that enforcement;
and
   (e) Requirements the director believes reasonable for the administration and enforcement of this
section.

(2) Notwithstanding ORS 446.250, 455.630, 455.720, 455.725, 479.530, 479.810 and 479.855, the director may issue or cause to be issued a certificate as a specialized building inspector to an individual who successfully completes an approved training program and satisfies qualification verification under this section. A specialized building inspector may be trained and certified in parts of more than one specialty code.

(3) An individual certified as a specialized building inspector under this section may conduct inspections and enforce portions of specialty codes under ORS 479.510 to 479.945 and 479.950 and this chapter and ORS chapters 446, 447 and 693 as identified by the director. The enforcement of portions of specialty codes by a specialized building inspector is subject to any terms, conditions or classifications applicable to that enforcement established by the director by rule.

SECTION 5. ORS 455.730 is amended to read:

455.730. [No person shall be appointed or employed as a building official or inspector by any municipality] A municipality may not accept municipal building official or municipal inspector services from a person unless the person has been certified as being qualified under ORS 455.715 to 455.740, and the certification has not lapsed or been revoked.

SECTION 6. ORS 455.732 is amended to read:

455.732. (1) As used in this section, “building code administrative region” means a region established by the Director of the Department of Consumer and Business Services under ORS 455.042 for the uniform administration of the state building code.

(2) The authority of the director under this section and ORS 455.720 and 455.723 to specify terms, conditions and classifications for the certification of inspectors includes the authority to certify an inspector to perform inspections under multiple specialty codes or parts of a specialty code.

(3) The director may provide for an inspector who is likely to be employed within a specific building code administrative region to be certified to perform inspections throughout a building code administrative region, whether within or outside of a municipality. The director may recognize any training program certified by the director under ORS 455.723 or 455.725 for purposes of certifying an inspector to perform inspections throughout a building code administrative region. This subsection does not require a municipality administering and enforcing a building inspection program under ORS 455.148 or 455.150 to allow an inspector certified under this subsection who is not employed by an employee of the municipality to perform building inspections on behalf of the municipality.

(4) In determining the appropriate experience, training or other qualifications for an inspector under ORS 455.720 or 455.723, the director shall consult with the appropriate advisory boards. The factors to be considered by the director may include, but need not be limited to:

(a) Any factors specific to, or of particular relevance to, a specialty code or to the types of buildings, structures, systems or equipment in a geographic area that are inspected under the specialty code;

(b) Staffing levels or other specific criteria for building inspection programs established by a municipality where the inspector is likely to provide services or for building inspection programs established by the director; and

(c) Any factors specific to, or of particular relevance to, the building code administrative region within which the inspector is likely to provide services.

(5) In determining the scope of certifications and qualifications for an inspector, the director
may utilize field training equivalency, independent evaluations or other methods the director deems appropriate.

SECTION 7. ORS 455.737 is amended to read:

455.737. (1) Notwithstanding ORS 455.720 (1), the Director of the Department of Consumer and Business Services, by rule, shall adopt criteria for review of the experience and training in building inspection and building plan review acquired by a person outside the State of Oregon. The criteria shall be adopted in a manner that facilitates review of a person’s qualifications by a [local] municipal building official.

(2)(a) A [local] municipal building official who wishes to [employ] use the services of a person who is not certified under ORS 455.735 as an inspector shall submit the person’s qualifications to the director. The director shall review the stated qualifications against the criteria adopted under subsection (1) of this section, including verification of experience and training. The director shall respond to the [local] municipal building official in writing within 10 working days of receiving the applicant’s qualifications, stating whether the person meets the applicable criteria.

(b) Upon application and payment of the required fee, the director shall allow a person whose qualifications meet the criteria adopted under subsection (1) of this section to sit for any examination necessary for the required certification.

SECTION 8. ORS 455.740 is amended to read:

455.740. (1) Subject to ORS chapter 183, the Director of the Department of Consumer and Business Services may deny, condition, suspend, revoke or refuse to renew a certificate of a building official or inspector if the director finds that the building official or inspector has:

(a) Consistently failed to act in the public interest in the performance of duties;

(b) Failed to complete the continuing education requirements as required under ORS 455.720 (4);

(c) Provided false information to the Department of Consumer and Business Services; or

(d) Committed an act described in ORS 455.125 or 455.129.

(2) In any revocation proceeding under this section, [the] a municipality or council of governments that employs the building official or inspector [shall be] is entitled to appear as a party in interest, either for or against the revocation.

(3) When a certification is suspended or revoked under this section, the director may also suspend, deny or place conditions on that person’s right to reapply for certification under ORS 455.735 for a period not to exceed 12 months.

(4) This section does not limit or otherwise affect the authority of a municipality to dismiss or suspend a building official or inspector at the discretion of the municipality.

(5) Notwithstanding the requirements of subsections (1) to (4) of this section, the director may adopt rules that:

(a) Allow certifications to be placed on inactive status; and

(b) Extend continuing education compliance requirements in case of illness or hardship.

MUNICIPAL BUILDING INSPECTION PROGRAMS

SECTION 9. ORS 455.148 is amended to read:

455.148. (1)(a) A municipality that assumes the administration and enforcement of a building inspection program shall administer and enforce the program for all of the following:

(A) The state building code, as defined in ORS 455.010, except as set forth in paragraph (b) of this subsection.
(B) Manufactured structure installation requirements under ORS 446.155, 446.185 (1) and 446.230.

(C) Manufactured dwelling parks and mobile home parks under ORS chapter 446.

(D) Park and camp programs regulated under ORS 455.680.

(E) Tourist facilities regulated under ORS 446.310 to 446.350.

(F) Manufactured dwelling alterations regulated under ORS 446.155.

(G) Manufactured structure accessory buildings and structures under ORS 446.253.

(H) Boilers and pressure vessels described in rules adopted under ORS 480.525 (5).

(b) A building inspection program of a municipality may not include:

(A) Boiler and pressure vessel programs under ORS 480.510 to 480.670 except those described in rules adopted under ORS 480.525 (5);

(B) Elevator programs under ORS 460.005 to 460.175;

(C) Amusement ride regulation under ORS 460.310 to 460.370;

(D) Prefabricated structure regulation under ORS chapter 455;

(E) Manufacture of manufactured structures programs under ORS 446.155 to 446.285, including the administration and enforcement of federal manufactured dwelling construction and safety standards adopted under ORS 446.155 or the National Manufactured Housing Construction and Safety Standards Act of 1974;

(F) Licensing and certification, or the adoption of statewide codes and standards, under ORS chapter 446, 447, 455, 479 or 693; or

(G) Review of plans and specifications as provided in ORS 455.685.

(2) A municipality that administers a building inspection program as allowed under this section shall do so for periods of four years. The Department of Consumer and Business Services shall adopt rules to adjust time periods for administration of a building inspection program to allow for variations in the needs of the department and participants.

(3)(a) When a municipality administers a building inspection program, the governing body of the municipality shall, unless other means are already provided, appoint a person to administer and enforce the building inspection program, who shall be known as the building official. A building official shall, in the municipality for which appointed, attend to all aspects of code enforcement, including the issuance of all building permits. Two or more municipalities may combine in the appointment of a single building official for the purpose of administering a building inspection program within their communities] arrange for the services of a municipal building official for the municipality. The municipality shall also arrange for the services of a head building inspector for the municipality, who may also be the building official. The head building inspector must be an employee of the municipality or be employed under an intergovernmental agreement or by a council of governments to provide services to the municipality. The head building inspector must hold the highest level of certification issued by the department under ORS 455.715 to 455.740 for conducting inspections for compliance with the structural specialty code.

(b) Except as provided in this subsection, the municipal building official shall be responsible for ensuring the adequate and proper administration and enforcement of building inspection program activities, including but not limited to the issuance of building permits, whether the program activities are carried out by employees of the municipality or by other persons authorized to act on behalf of the municipality. The head building inspector shall provide supervision for, and be actively involved in, the aspects of the program involving inspections for routine enforcement of the specialty codes under the program.

(4)(a) By January 1 of the year preceding the expiration of the four-year period described in
subsection (2) of this section, the governing body of the municipality shall notify the Director of the Department of Consumer and Business Services and, if the municipality is not a county, notify the county whether the municipality will continue to administer and enforce the building inspection program after expiration of the four-year period.

(b) Notwithstanding the January 1 date set forth in paragraph (a) of this subsection, the director and the municipality and, if the municipality is not a county, the county may by agreement extend that date to no later than March 1.

(5) If a city does not notify the director, or notifies the director that it will not administer the building inspection program, the county or counties in which the city is located shall administer and enforce the county program within the city in the same manner as the program is administered and enforced outside the city, except as provided by subsection (6) of this section.

(6) If a county does not notify the director, or notifies the director that it will not administer and enforce a building inspection program, the director shall contract with a municipality or other person or use such state employees or state agencies as are necessary to administer and enforce a building inspection program, and permit or other fees arising therefrom shall be paid into the Consumer and Business Services Fund created by ORS 705.145 and credited to the account responsible for paying the expenses thereof. A state employee may not be displaced as a result of using contract personnel.

(7) The governing body of a municipality may commence responsibility for the administration and enforcement of a building inspection program beginning July 1 of any year by notifying the director no later than January 1 of the same year and obtaining the director's approval of an assumption plan as described in subsection [(11)(c)] (12)(c) of this section.

(8) The department shall adopt rules to require the governing body of each municipality assuming or continuing a building inspection program under this section to submit a written plan with the notice required under subsection (4) or (7) of this section. If the department is the governing body, the department shall have a plan on file. The plan must specify how cooperation with the State Fire Marshal or a designee of the State Fire Marshal will be achieved and how a uniform fire code will be considered in the review process of the design and construction phases of buildings or structures.

(9) A municipal inspector who performs routine enforcement services under actual or apparent authority as an agent on behalf of the municipality shall, subject to the approval of the head building inspector, establish the resources used or needed for the inspector to perform the enforcement services and establish the method by which the enforcement services are to be performed.

[(9)] (10) A municipality that administers and enforces a building inspection program pursuant to this section shall recognize and accept the performances of state building code activities by businesses and persons authorized under ORS 455.457 to perform the activities as if the activities were performed by the municipality. A municipality is not required to accept an inspection, a plan or a plan review that does not meet the requirements of the state building code.

[(10)] (11) The department or a municipality that accepts an inspection or plan review as required by this section by a person licensed under ORS 455.457 has no responsibility or liability for the activities of the licensee.

[(11)] (12) In addition to the requirements of ORS 455.100 and 455.110, the director shall regulate building inspection programs that municipalities assume on or after January 1, 2002. Regulation under this subsection shall include but not be limited to:

(a) Creating building inspection program application and amendment requirements and proce-
(b) Granting or denying applications for building inspection program authority and amendments;
(c) Requiring a municipality assuming a building inspection program to submit with the notice given under subsection (7) of this section an assumption plan that includes, at a minimum:
   (A) A description of the intended availability of program services, including proposed service agreements for carrying out the program during at least the first two years;
   (B) Demonstration of the ability and intent to provide building inspection program services for at least two years;
   (C) An estimate of proposed permit revenue and program operating expenses;
   (D) Proposed staffing levels; and
   (E) Proposed service levels;
(d) Reviewing procedures and program operations of municipalities;
(e) Creating standards for efficient, effective, timely and acceptable building inspection programs;
   (f) Creating standards for justifying increases in building inspection program fees adopted by a municipality;
   (g) Creating standards for determining whether a county or department building inspection program is economically impaired in its ability to reasonably continue providing the program within the same county; and
   (h) Enforcing the requirements of this section.

The department may assume administration and enforcement of a building inspection program:
   (a) During the pendency of activities under ORS 455.770;
   (b) If a municipality abandons or is no longer able to administer the building inspection program; and
   (c) If a municipality fails to substantially comply with any provision of this section or of ORS 455.465, 455.467 and 455.469.

If the department assumes the administration and enforcement of a building inspection program under this section, in addition to any other power granted to the director, the director may:
   (a) Enter into agreements with local governments under ORS 455.185 regarding the administration and enforcement of the assumed building inspection program;
   (b) Take action as described in ORS 455.192 to ensure that sufficient staff and other resources are available for the administration and enforcement of the assumed building inspection program; and
   (c) Charge fees described in ORS 455.195 for department services provided in administering and enforcing the assumed building inspection program.

A municipality that abandons or otherwise ceases to administer and enforce a building inspection program that the municipality assumed under this section may not resume the administration or enforcement of the program for at least two years. The municipality may resume the administration and enforcement of the abandoned program only on July 1 of an odd-numbered year. Prior to resuming the administration and enforcement of the program, the municipality must follow the notification procedure set forth in subsection (7) of this section.

SECTION 10. ORS 455.150 is amended to read:

455.150. (1) Except as provided in subsection [(15)] (16) of this section, a municipality that as-
sumes the administration and enforcement of a building inspection program prior to January 1, 2002, may administer and enforce all or part of a building inspection program. A building inspection program:

(a) Is a program that includes the following:

(A) The state building code, as defined in ORS 455.010, except as set forth in paragraph (b) of this subsection.

(B) Manufactured structure installation requirements under ORS 446.155, 446.185 (1) and 446.230.

(C) Manufactured dwelling parks and mobile home parks under ORS chapter 446.

(D) Park and camp programs regulated under ORS 455.680.

(E) Tourist facilities regulated under ORS 446.310 to 446.350.

(F) Manufactured dwelling alterations regulated under ORS 446.155.

(G) Manufactured structure accessory buildings and structures under ORS 446.253.

(H) Boilers and pressure vessels described in rules adopted under ORS 480.525 (5).

(b) Is not a program that includes:

(A) Boiler and pressure vessel programs under ORS 480.510 to 480.670 except those described in rules adopted under ORS 480.525 (5);

(B) Elevator programs under ORS 460.005 to 460.175;

(C) Amusement ride regulation under ORS 460.310 to 460.370;

(D) Prefabricated structure regulation under ORS chapter 455;

(E) Manufacture of manufactured structures programs under ORS 446.155 to 446.285, including the administration and enforcement of federal manufactured dwelling construction and safety standards adopted under ORS 446.155 or the National Manufactured Housing Construction and Safety Standards Act of 1974;

(F) Licensing and certification, or the adoption of statewide codes and standards, under ORS chapter 446, 447, 455, 479 or 693; and

(G) Review of plans and specifications as provided in ORS 455.685.

(2) A municipality that administers a building inspection program as allowed under this section shall do so for periods of four years. The Department of Consumer and Business Services shall adopt rules to adjust time periods for administration of a building inspection program to allow for variations in the needs of the department and participants.

(3)(a) When a municipality administers a building inspection program, the governing body of the municipality shall[unless other means are already provided, appoint a person to administer and enforce the building inspection program or parts thereof, who shall be known as the building official. A building official shall, in the municipality for which appointed, attend to all aspects of code enforcement, including the issuance of all building permits. Two or more municipalities may combine in the appointment of a single building official for the purpose of administering a building inspection program within their communities.] arrange for the services of a municipal building official for the municipality. The municipality shall also arrange for the services of a head building inspector for the municipality, who may also be the building official. The head building inspector must be an employee of the municipality or be employed under an intergovernmental agreement or by a council of governments to provide services to the municipality. The head building inspector must hold the highest level of certification issued by the department under ORS 455.715 to 455.740 for conducting inspections for compliance with the structural specialty code.

(b) Except as provided in this subsection, the municipal building official shall be respon-
sible for ensuring the adequate and proper administration and enforcement of building inspection program activities, including but not limited to the issuance of building permits, whether the program activities are carried out by employees of the municipality or by other persons authorized to act on behalf of the municipality. The head building inspector shall provide supervision for, and be actively involved in, the aspects of the program involving inspections for routine enforcement of the specialty codes under the program.

(4)(a) By January 1 of the year preceding the expiration of the four-year period described in subsection (2) of this section, the governing body of the municipality shall notify the Director of the Department of Consumer and Business Services and, if not a county, notify the county whether the municipality will continue to administer the building inspection program, or parts thereof, after expiration of the four-year period. If parts of a building inspection program are to be administered and enforced by a municipality, the parts shall correspond to a classification designated by the director as reasonable divisions of work.

(b) Notwithstanding the January 1 date set forth in paragraph (a) of this subsection, the director and the municipality and, if the municipality is not a county, the county may by agreement extend that date to no later than March 1.

(5) If a city does not notify the director, or notifies the director that it will not administer certain specialty codes or parts thereof under the building inspection program, the county or counties in which the city is located shall administer and enforce those codes or parts thereof within the city in the same manner as it administers and enforces them outside the city, except as provided by subsection (6) of this section.

(6) If a county does not notify the director, or notifies the director that it will not administer and enforce certain specialty codes or parts thereof under the building inspection program, the director shall contract with a municipality or other person or use such state employees or state agencies as are necessary to administer and enforce those codes or parts thereof, and permit or other fees arising therefrom shall be paid into the Consumer and Business Services Fund created by ORS 705.145 and credited to the account responsible for paying such expenses. A state employee may not be displaced as a result of using contract personnel.

(7) If a municipality administering a building inspection program under this section seeks to administer additional parts of a program, the municipality must comply with ORS 455.148, including the requirement that the municipality administer and enforce all aspects of the building inspection program. Thereafter, the municipality is subject to ORS 455.148 and ceases to be subject to this section.

(8) The department shall adopt rules to require the governing body of each municipality to submit a written plan with the notice required under subsection (4) of this section. If the department is the governing body, the department shall have a plan on file. The plan shall specify how cooperation with the State Fire Marshal or a designee of the State Fire Marshal will be achieved and how a uniform fire code will be considered in the review process of the design and construction phases of buildings or structures.

(9) A municipal inspector who performs routine enforcement services under actual or apparent authority as an agent on behalf of the municipality shall, subject to the approval of the head building inspector, establish the resources used or needed for the inspector to perform the enforcement services and establish the method by which the enforcement services are to be performed.

[9] (10) A municipality that administers a code for which persons or businesses are authorized
A-Eng. HB 4086

under ORS 455.457 to perform activities shall recognize and accept those activities as if performed by the municipality. A municipality is not required to accept an inspection, a plan or a plan review that does not meet the requirements of the state building code.

[(10)] (11) The department or a municipality that accepts an inspection or plan review as required by this section by a person licensed under ORS 455.457 has no responsibility or liability for the activities of the licensee.

[(11)] (12) In addition to the requirements of ORS 455.100 and 455.110, the director shall regulate building inspection programs of municipalities assumed prior to January 1, 2002. Regulation under this subsection shall include but not be limited to:

(a) Creating building inspection program application and amendment requirements and procedures;
(b) Granting or denying applications for building inspection program authority and amendments;
(c) Reviewing procedures and program operations of municipalities;
(d) Creating standards for efficient, effective, timely and acceptable building inspection programs;
(e) Creating standards for justifying increases in building inspection program fees adopted by a municipality;
(f) Creating standards for determining whether a county or department building inspection program is economically impaired in its ability to reasonably continue providing the program or part of the program throughout a county, if another municipality is allowed to provide a building inspection program or part of a program within the same county; and
(g) Enforcing the requirements of this section.

[(12)] (13) The department may assume administration and enforcement of a building inspection program:

(a) During the pendency of activities under ORS 455.770;
(b) If a municipality abandons any part of the building inspection program or is no longer able to administer the building inspection program; and
(c) If a municipality fails to substantially comply with any provision of this section or of ORS 455.465, 455.467 and 455.469.

[(13)] (14) If the department assumes the administration and enforcement of a building inspection program under this section, in addition to any other power granted to the director, the director may:

(a) Enter into agreements with local governments under ORS 455.185 regarding the administration and enforcement of the assumed building inspection program;
(b) Take action as described in ORS 455.192 to ensure that sufficient staff and other resources are available for the administration and enforcement of the assumed building inspection program; and
(c) Charge fees described in ORS 455.195 for department services provided in administering and enforcing the assumed building inspection program.

[(14)] (15) If a municipality abandons or otherwise ceases to administer all or part of a building inspection program described in this section, the municipality may not resume the administration and enforcement of the abandoned program or part of a program for at least two years. The municipality may resume the administration and enforcement of the abandoned program or part of a program only on July 1 of an odd-numbered year. To resume the administration and enforcement of the abandoned program or part of a program, the municipality must comply with ORS 455.148, including the requirement that the municipality administer and enforce all aspects of the building
inspection program. Thereafter, the municipality is subject to ORS 455.148 and ceases to be subject to this section.

[(15)] (16) A municipality that administers and enforces a building inspection program under this section shall include in the program the inspection of boilers and pressure vessels described in subsection (1)(a)(H) of this section.

CONFORMING AMENDMENTS

SECTION 11. ORS 215.236 is amended to read:

215.236. (1) As used in this section, “dwelling” means a single-family residential dwelling not provided in conjunction with farm use.

(2) The governing body or its designee may not grant final approval of an application made under ORS 215.213 (3) or 215.284 (1), (2), (3), (4) or (7) for the establishment of a dwelling on a lot or parcel in an exclusive farm use zone that is, or has been, receiving special assessment without evidence that the lot or parcel upon which the dwelling is proposed has been disqualified for special assessment at value for farm use under ORS 308A.050 to 308A.128 or other special assessment under ORS 308A.315, 321.257 to 321.390, 321.700 to 321.754 or 321.805 to 321.855 and any additional tax imposed as the result of disqualification has been paid.

(3) The governing body or its designee may grant tentative approval of an application made under ORS 215.213 (3) or 215.284 (1), (2), (3), (4) or (7) for the establishment of a dwelling on a lot or parcel in an exclusive farm use zone that is specially assessed at value for farm use under ORS 308A.050 to 308A.128 upon making the findings required by ORS 215.213 (3) or 215.284 (1), (2), (3), (4) or (7). An application for the establishment of a dwelling that has been tentatively approved shall be given final approval by the governing body or its designee upon receipt of evidence that the lot or parcel upon which establishment of the dwelling is proposed has been disqualified for special assessment at value for farm use under ORS 308A.050 to 308A.128 or other special assessment under ORS 308A.315, 321.257 to 321.390, 321.700 to 321.754 or 321.805 to 321.855 and any additional tax imposed as the result of disqualification has been paid.

(4) The owner of a lot or parcel upon which the establishment of a dwelling has been tentatively approved as provided by subsection (3) of this section shall, before final approval, simultaneously:

(a) Notify the county assessor that the lot or parcel is no longer being used as farmland or for other specially assessed uses described in subsection (2) or (3) of this section;

(b) Request that the county assessor disqualify the lot or parcel from special assessment under ORS 308A.050 to 308A.128, 308A.315, 321.257 to 321.390, 321.700 to 321.754 or 321.805 to 321.855; and

(c) Pay any additional tax imposed upon disqualification from special assessment.

(5) Except as provided in subsection (6) of this section, a lot or parcel that has been disqualified pursuant to subsection (4) of this section may not requalify for special assessment unless, when combined with another contiguous lot or parcel, it constitutes a qualifying parcel.

(6)(a) A lot or parcel that has been disqualified pursuant to subsection (4) of this section may requalify for wildlife habitat special assessment under ORS 308A.403 to 308A.430 or conservation easement special assessment under ORS 308A.450 to 308A.465 without satisfying the requirements of subsection (5) of this section.

(b) Upon disqualification from wildlife habitat special assessment under ORS 308A.430 or disqualification from conservation easement special assessment under ORS 308A.465, the lot or parcel shall be subject to the requirements of subsection (5) of this section.
(7) When the owner of a lot or parcel upon which the establishment of a dwelling has been tentatively approved notifies the county assessor that the lot or parcel is no longer being used as farmland and requests disqualification of the lot or parcel for special assessment at value for farm use, the county assessor shall:

(a) Disqualify the lot or parcel for special assessment at value for farm use under ORS 308A.050 to 308A.128 or other special assessment by removing the special assessment;

(b) Provide the owner of the lot or parcel with written notice of the disqualification; and

(c) Impose the additional tax, if any, provided by statute upon disqualification.

(8) The Department of Consumer and Business Services, a municipal building official, as defined in ORS 455.010, or any other agency or official responsible for the administration and enforcement of the state building code, as defined in ORS 455.010, may not issue a building permit for the construction of a dwelling on a lot or parcel in an exclusive farm use zone without evidence that the owner of the lot or parcel upon which the dwelling is proposed to be constructed has paid the additional tax, if any, imposed by the county assessor under subsection (7)(c) of this section.

SECTION 12. ORS 446.250 is amended to read:

446.250. The Director of the Department of Consumer and Business Services shall cause inspections to be made, approve plans and specifications, provide technical services and issue permits for alteration of manufactured dwellings and installation of manufactured dwellings and manufactured structure accessory buildings and structures on a lot. The director shall appoint or contract with municipalities that request such appointment or contract for inspection and issuance of permits for alteration of manufactured dwellings and installation of manufactured dwellings and manufactured structure accessory buildings and structures and alterations of installations of plumbing, heating, illuminating, cooking or electrical equipment, provided the [municipality employs as local] municipal inspectors are qualified persons who have been certified by the director for inspection and issuance of permits for alteration of manufactured dwellings and installation of manufactured dwellings and manufactured structure accessory buildings and structures, pursuant to ORS 446.003, 446.111, 446.155, 446.160, 446.176, 446.225 to 446.285 and 446.990. However, the certification standards under this section shall relate to the inspections to be performed and shall not be more stringent for municipal inspectors than those applying to state inspectors.

SECTION 13. ORS 446.255 is amended to read:

446.255. (1) After written notice and hearing as provided in subsection (2) of this section, the Director of the Department of Consumer and Business Services may revoke the certification of a [local] municipal inspector certified under ORS 446.250, or the authority of a [local government] municipality to enforce provisions of ORS 446.003, 446.111, 446.160, 446.176, 446.225 to 446.285 and 446.990, when it appears by competent evidence that the inspector or [local government] municipality has consistently failed to act in the public interest in the enforcement of the provisions of ORS 446.003, 446.111, 446.160, 446.176, 446.225 to 446.285 and 446.990.

(2) Any proceedings under subsection (1) of this section shall be conducted pursuant to the provisions of ORS 183.415 to 183.430, 183.440 to 183.460, 183.470 to 183.485 and 183.490 to 183.540, dealing with contested cases.

SECTION 14. ORS 447.091 is amended to read:

447.091. The Department of Consumer and Business Services or local government administering the plumbing specialty code adopted under ORS 447.020 (2) may, upon request of any sanitary district formed pursuant to ORS 450.005 to 450.245, sanitary authority established under ORS 450.600 to 450.989, or county service district established under ORS 451.410 to 451.610, contract for [the]
district inspection of building sewers constructed to connect a district sewage system if inspectors
[employed by such] for the district are certified for sewer inspections under ORS 455.715 to 455.740.

SECTION 15. ORS 450.837 is amended to read:

450.837. (1) Water authorities and sanitary authorities are municipalities for the purposes of
administering and enforcing the plumbing code as provided under ORS 455.150.

(2) However, notwithstanding ORS 455.150 (3), a municipal building official [appointed by] pro-
viding services to a water authority or sanitary authority, or [an] a municipal inspector acting
under the authority and direction of such a building official, shall [administer and enforce only that
portion] carry out administration and enforcement activities only for that part of the plumbing
code governing the installation and maintenance of connections between structures and the mains
and sewers of the authority.

(3) Nothing in this section authorizes a building official or inspector [of] for a water authority
or sanitary authority to administer or enforce all or part of any specialty code except the plumbing
code.

(4) A water authority or sanitary authority shall notify the Director of the Department of Con-
sumer and Business Services not later than May 1 of each year as to whether the authority will or
will not exercise the code enforcement power granted by this section.

SECTION 16. ORS 455.042 is amended to read:

455.042. The Director of the Department of Consumer and Business Services shall establish re-
 gions for all areas of the state to carry out the uniform administration of the state building code.
The director shall assign Department of Consumer and Business Services employees for the regions
as necessary to:

(1) Promote consistent interpretation of the state building code;

(2) Resolve disputes between [local] municipal building officials and contractors or developers
regarding the application of one or more provisions of the state building code; and

(3) Provide oversight and enforcement of ORS 446.003 to 446.200, 446.225 to 446.285, 446.395 to
446.420, 479.510 to 479.945, 479.950, 479.995 and 480.510 to 480.670 and ORS chapters 447, 455, 460
and 693 and the rules adopted under those statutes.

SECTION 17. ORS 455.046 is amended to read:

455.046. (1) The Department of Consumer and Business Services shall:
(a) Develop and administer an installation label program for minor installations under the state
building code, including but not limited to electrical installations under ORS 455.627, 479.540 and
479.570 and plumbing installations under ORS 447.076;

(b) Develop standard application forms and procedures for use by municipalities in Clackamas,
Multnomah and Washington Counties when issuing structural, mechanical, electrical, plumbing and
other permits when those permits do not require a review of building plans;

(c) Develop standard application forms and procedures for issuing building permits and record-
ing inspections;

(d) Develop standard forms and procedures for reviewing building plans;

(e) Establish standardized criteria and methodology for determining fee amounts for permits that
are required under the state building code established under ORS 455.030;

(f) Maintain and make available to the public the names of persons certified to review building
plans;

(g) Maintain and make available to the public the names of persons certified to perform techni-
cal inspections; and
(h) Administer prepaid building permit cost accounts.

(2) The department may use the resources of the Tri-County Building Industry Service Center to:

(a) Assist [local] municipal building officials in the administration and enforcement of the state building code; and

(b) Establish a process to facilitate the consistent application of the state building code throughout the state.

SECTION 18. ORS 455.062 is amended to read:

455.062. (1) A Department of Consumer and Business Services employee acting within the scope of that employment may provide typical plans and specifications:

(a) For structures of a type for which the provision of plans or specifications is exempted under ORS 671.030 from the application of ORS 671.010 to 671.220 and exempted under ORS 672.060 from the application of ORS 672.002 to 672.325; and

(b) Notwithstanding ORS 671.010 to 671.220 and 672.002 to 672.325, for structures that are metal or wood frame Use and Occupancy Classification Group U structures under the structural specialty code.

(2) A municipal building official [or inspector, as those terms are defined in ORS 455.715, when], if acting within the scope of direct employment by a municipality, may provide typical plans and specifications for structures of a type for which the provision of plans or specifications is exempted under ORS 671.030 from the application of ORS 671.010 to 671.220 and exempted under ORS 672.060 from the application of ORS 672.002 to 672.325.

(3) This section does not alter any applicable requirement under ORS 671.010 to 671.220 or 672.002 to 672.325 regarding stamps and seals for a set of plans for a structure.

SECTION 19. ORS 455.070 is amended to read:

455.070. (1) Any person may report a suspected violation of the state building code that poses an imminent threat to public health or safety to the local municipal building official or, where the code is state-administered, to the Department of Consumer and Business Services. The complaint shall be in writing and submitted under rules adopted by the department. The rules of the department shall provide for the disposition of frivolous or harassing complaints by requiring detailed descriptions of the alleged violation and reference to the code sections allegedly violated.

(2) The municipality or the department shall give notice of the complaint to the contractor, building owner and subcontractor, if any, involved in the project alleged to be in violation. The municipality or the department may charge the complainant for the necessary costs of supplying, copying and distributing the complaint form.

(3) If, after five working days, no remedial action has taken place, the complainant has standing to appeal the matter to the appeals board of the municipality, where one is established, or directly to the appropriate advisory board where there is no local appeals board. The municipal appeals board or state advisory board shall reach a final decision within 14 days of the complainant’s appeal. A municipal appeals board decision shall then be subject to appeal to a state advisory board under ORS 455.690, provided that the state advisory board shall reach a final determination within 14 days of notice of an appeal. A record of the written complaint and the findings of the appeals and advisory boards may be introduced into evidence in any judicial proceeding for damages brought against the complainant by any person suffering damages as a result of the complaint.

SECTION 20. ORS 455.080 is amended to read:

455.080. Notwithstanding ORS 455.630 (2), any inspector, including a specialty code inspector
licensed under ORS 455.457, authorized by ORS 455.148, 455.150 or 455.153 to determine compliance with the requirements of the state building code or any specialty code under this chapter may, in accordance with a compliance program as described in ORS 455.153 (2), require any person who is engaged in any activity regulated by the state building code to demonstrate proof of compliance with the applicable licensing, registration or certification requirements of ORS chapters 446, 447, 455, 460, 479, 480, 693 and 701.

SECTION 21. ORS 455.200 is amended to read:

455.200. The Director of the Department of Consumer and Business Services:

(1) May adopt rules, establish policies and procedures and take other actions the director considers reasonable or expedient for carrying out agreements under ORS 455.148 [(13)] (14), 455.150 [(13)] (14) or 455.185 and any duties, functions and powers of the director or the Department of Consumer and Business Services under ORS 455.148 [(13)] (14), 455.150 [(13)] (14) or 455.185 to 455.198;

(2) Shall consult at least annually with appropriate advisory boards regarding any agreements under ORS 455.185 or actions taken by the director under ORS 455.148 [(13)] (14), 455.150 [(13)] (14) or 455.185 to 455.198; and

(3) Shall report annually to the Legislative Assembly as provided under ORS 192.230 to 192.250 regarding any department activities under ORS 455.148 [(13)] (14), 455.150 [(13)] (14) or 455.185 to 455.198. The report shall include, but not be limited to, information regarding any projected need for an increase in department resources required for carrying out the administration and enforcement of building inspection programs under ORS 455.148 [(13)] (14), 455.150 [(13)] (14) or 455.185 to 455.198.

SECTION 22. ORS 455.210 is amended to read:

455.210. (1) Fees shall be prescribed as required by ORS 455.020 for plan review and permits issued by the Department of Consumer and Business Services for the construction, reconstruction, alteration and repair of prefabricated structures and of buildings and other structures and the installation of mechanical heating and ventilating devices and equipment. The fees may not exceed 130 percent of the fee schedule printed in the “Uniform Building Code,” 1979 Edition, and in the “Uniform Mechanical Code,” 1979 Edition, both published by the International Conference of Building Officials. Fees are not effective until approved by the Oregon Department of Administrative Services.

(2) Notwithstanding subsection (1) of this section, the maximum fee the Director of the Department of Consumer and Business Services may prescribe for a limited plan review for fire and life safety as required under ORS 479.155 shall be 40 percent of the prescribed permit fee.

(3)(a) A municipality may adopt by ordinance or regulation such fees as may be necessary and reasonable to provide for the administration and enforcement of any specialty code or codes for which the municipality has assumed responsibility under ORS 455.148 or 455.150. A municipality shall give the director notice of the proposed adoption of a new or increased fee under this subsection. The municipality shall give the notice to the director at the time the municipality provides the opportunity for public comment under ORS 294.160 regarding the fee or, if the proposed fee is contained in an estimate of municipal budget resources, at the time notice of the last budget meeting is published under ORS 294.426.

(b) Ten or more persons or an association with 10 or more members may appeal the adoption of a fee described in this subsection to the Director of the Department of Consumer and Business Services. The persons or association must file the appeal no later than 60 days after the director
receives notice of the proposed adoption of the fee from the municipality under paragraph (a) of this subsection. However, if the municipality failed to give notice to the director, an appeal may be filed with the director within one year after adoption of the new or increased fee. Upon receiving a timely appeal, the director shall, after notice to affected parties and hearing, review the municipality’s fee adoption process and the costs of administering and enforcing the specialty code or codes referred to in paragraph (a) of this subsection. The director shall approve the fee if the director feels the fee is necessary and reasonable. If the director does not approve the fee upon appeal, the fee is not effective. The appeal process provided in this paragraph does not apply to fees that have been submitted for a vote and approved by a majority of the electors voting on the question.

(c) Fees collected by a municipality under this subsection shall be used for the administration and enforcement of a building inspection program for which the municipality has assumed responsibility under ORS 455.148 or 455.150.

(d) For purposes of paragraph (b) of this subsection, in determining whether a fee is reasonable the director shall consider whether:

(A) The fee is the same amount as or closely approximates the amount of the fee charged by other municipalities of a similar size and geographic location for the same level of service;

(B) The fee is calculated with the same or a similar calculation method as the fee charged by other municipalities for the same service;

(C) The fee is the same type as the fee charged by other municipalities for the same level of service; and

(D) The municipality, in adopting the fee, complied with ORS 294.160, 294.361 and 294.426 and this section and standards adopted by the director under ORS 455.148 or 455.150.

(4) Notwithstanding any other provision of this chapter:

(a) For the purpose of partially defraying state administrative costs, there is imposed a surcharge in the amount of four percent of the total permit fees or, if the applicant chooses to pay an hourly rate instead of purchasing a permit, four percent of the total hourly charges collected.

(b) For the purpose of partially defraying state inspection costs, there is imposed a surcharge in the amount of two percent of the total permit fees or, if the applicant chooses to pay an hourly rate instead of purchasing a permit, two percent of the total hourly charges collected.

(c) For the purpose of defraying the cost of administering and enforcing the state building code, there is imposed a surcharge on permit fees and on hourly charges collected instead of permit fees. The surcharge may not exceed one percent of the total permit fees or, if the applicant chooses to pay an hourly rate instead of purchasing a permit, one percent of the total hourly charges collected.

(d) For the purpose of defraying the cost of developing and administering the electronic building codes information system described in ORS 455.095 and 455.097, there is imposed a surcharge in the amount of four percent on permit fees, or if the applicant chooses to pay an hourly rate instead of purchasing a permit, four percent of the total hourly charges collected.

(5) Municipalities shall collect and remit surcharges imposed under subsection (4) of this section to the director as provided in ORS 455.220.

(6) The director shall adopt administrative rules to allow reduced fees for review of plans that have been previously reviewed.

SECTION 23. ORS 455.450 is amended to read:

455.450. A person may not:
(1) Violate, or procure or assist in the violation of, any final order of the Director of the Department of Consumer and Business Services, an advisory board, a state administrative officer or any local appeals board, a building official or an inspector, concerning the application of the state building code in a particular case or concerning a license, certificate, registration or other authorization.

(2) Engage in, or procure or assist any other person to engage in, any conduct or activity for which a permit, label, license, certificate, registration or other formal authorization is required by any specialty code, any provision of ORS 446.003 to 446.200, 446.225 to 446.285, 446.395 to 446.420, 446.566 to 446.646, 446.666 to 446.746, 479.510 to 479.945, 479.950 and 480.510 to 480.670, this chapter or ORS chapter 447, 460 or 693, or any rule adopted or order issued for the administration and enforcement of those provisions, without first having obtained such permit, label, license, certificate, registration or other formal authorization.

(3) Violate, or procure or assist in the violation of, any standard, specification, requirement, prohibition or other technical provision set forth in the state building code or an applicable local building code or in any rule or order of the Department of Consumer and Business Services, an advisory board, a [local] municipal governing body or [local] municipal building official.

SECTION 24. ORS 455.485 is amended to read:

455.485. (1) When adopting the state building code, the Director of the Department of Consumer and Business Services shall give special consideration to the unique needs of construction in rural or remote parts of this state.

(2) Notwithstanding any description of State Fire Marshal duties in ORS 476.030, 476.033, 476.035, 476.150 or 476.155, the Director of the Department of Consumer and Business Services or a [local] municipal building official administering a building inspection program under ORS 455.148 or 455.150 may determine whether the structure as set forth in the plans and specifications or as constructed meets the standards of the state building code, including but not limited to fire and life safety standards. The State Fire Marshal, or a local fire official for a governmental subdivision exempted from State Fire Marshal regulations as described under ORS 476.030, may provide advice to building officials, inspectors or Department of Consumer and Business Services employees concerning state building code standards. A [local] municipal building official or department employee shall give consideration to advice of the State Fire Marshal or local fire official that does not conflict with the state building code, but shall retain the authority to make final decisions regarding the code.

SECTION 25. ORS 455.685 is amended to read:

455.685. The Director of the Department of Consumer and Business Services may, upon an application setting forth a set of plans and specifications that will be utilized in one or more municipalities to acquire building permits, review and approve the application for the construction or erection of any building or structure if such set of plans meets the requirements of the state building code. All costs incurred by the director by virtue of the examination of such a set of plans and specifications shall be paid by the applicant. The plans and specifications or any plans and specifications required to be submitted to a state agency shall be submitted to the director who shall examine the instruments and if necessary distribute them to the appropriate state agencies for scrutiny regarding adequacy as to fire safety, life safety and all other appropriate features. The state agencies shall examine and promptly return the plans and specifications together with their certified statement as to the adequacy of the instruments regarding that agency’s area of concern. The applicant shall submit the plans and specifications to a [local building official] municipality prior to
application for a building permit. The [local] municipal building official shall [review] cause the
plan to be reviewed for those features required by local ordinance or by any site-specific, geo-
graphic, geologic or climatic code requirements. A [local building official] municipality shall issue
a building permit upon application and presentation to the [local building official] municipality of
such a set of plans and specifications bearing the approval of the director if the requirements of all
other local ordinances are satisfied. The director or [local] municipal building official may assess
such fees as necessary to recover the reasonable costs incurred to ensure the compliance of the
plans and specifications with the state building code.
