16 equals the market value of the outdoor advertising sign, measured by
17 comparable sales of outdoor advertising signs as determined by an
18 appraiser recognized as a specialist in such valuations, less the salvage

20 location, the department shall pay the owner the difference between
21 the amount of full compensation for the loss and the market value of
22 the outdoor advertising sign as located at the new site. If the new site
23 is on a state highway, the owner may use the outdoor advertising
24 sign’s existing permit issued under ORS 377.725 to apply for a relo-
25 cation permit. If the new site is not on a state highway, the depart-
26 ment shall permanently cancel the permit.

27 “(d) For a partial loss of an outdoor advertising sign, the depart-
28 ment shall pay the owner the percentage of full compensation that is
29 equal to the loss of market value due to the blockage of the sign’s
30 face.

1 “(e) The department and the owner may enter into an agreement
2 for partial or full compensation under this subsection in the form of
3 additional relocation credits or other in-kind value.

4 “(5)(a) If the department and the owner of an outdoor advertising
5 sign do not agree that a comparable location is available in the case
6 of the total loss of an outdoor advertising sign, or do not agree to the
7 amount of compensation offered by the department, the department
8 shall provide written notice of the final offer of compensation to the
9 owner.

10 “(b) The owner may appeal to the department the comparable lo-
11 cation determination and the amount of compensation contained in
12 the written notice. The hearing on the appeal shall be conducted as a
13 contested case hearing under ORS chapter 183.

14 “(c) Notwithstanding paragraph (b) of this subsection, in the case
15 of the total loss of an outdoor advertising sign, the owner shall remove
16 the outdoor advertising sign that is the subject of the written notice
17 within 90 days after receipt of the notice.

18 “(6) Nothing in this section may be construed to require the de-
19 partment to take, and the department may not take or authorize, any
20 action that would make the department ineligible to receive federal
21 funds.

22 “(7) The department may adopt rules to implement the provisions
23 of this section.

24 “SECTION 47. ORS 377.725 is amended to read:

25 “377.725. (1) A person may not erect, control, relocate or reconstruct an
26 outdoor advertising sign unless the Department of Transportation has issued
27 a permit for the erection, control, relocation or reconstruction of the sign.

28 “(2) A person who applies for a permit to the Director of Transportation
29 shall complete forms furnished by the director. The permit application shall
30 include a precise description of the outdoor advertising sign and such other

1 information as the director considers necessary or desirable to determine
2 compliance with ORS 377.700 to 377.844. The director shall issue a permit for
3 an outdoor advertising sign that complies with ORS 377.700 to 377.844. A
4 valid permit may be transferred to another person upon written notice to the
5 director.

6 “(3) A permit may not be issued for an outdoor advertising sign located
7 adjacent to an interstate highway or freeway unless the director determines
8 that access to the **outdoor advertising** sign from the interstate highway or
9 freeway can be obtained without violating the access control line of the
10 interstate highway or freeway.

11 “(4) **If an application for a permit to relocate or reconstruct an**
12 **outdoor advertising sign is for a location identified in the current**
13 **Statewide Transportation Improvement Program, the department shall**
14 **require the applicant to execute an affidavit acknowledging the project**
15 **and forgoing any claim for compensation under section 46 of this 2018**
16 **Act.**

17 “[4] (5) A permit shall be renewed annually on the first day of January.
18 Application for renewal of a permit shall be filed prior to expiration of the
19 term of the permit. If application for renewal of a permit is filed within 30
20 days after the expiration of the term, the permit shall be granted if any ad-
21 ditional fee specified by the department in rules adopted under ORS 377.729
22 is paid at the time the application is filed. Any permit not renewed in ac-
23 cordance with this section shall be canceled.

24 “[5] (6) Permit fees for purposes of this section are as established by the
25 department by rule under ORS 377.729.

26 “[6] (7) A permit shall be issued for one year. The applicable fee shall
27 accompany the permit application. A fee may not be prorated for a fraction
28 of a year or be refunded if the outdoor advertising sign is removed.

29 “[7] (8) The display surface of an outdoor advertising sign may be
30 changed or cutouts may be attached or removed within the sign area without

1 obtaining a permit. However, a permit shall be obtained if the outdoor ad-
2 vertising sign is reconstructed.

3 “[8] (9) A reconstruction permit may be issued for the addition of an-
4 other display surface on the opposite side of an existing, conforming **outdoor**
5 **advertising** sign under permit, that is no larger than the existing display
6 surface.

7 “[9] (10) The director shall require removal of a sign or shall cancel a
8 permit and require removal of an outdoor advertising sign as provided by
9 ORS 377.775 if the director finds a sign **or an outdoor advertising sign** has
10 been erected, maintained or serviced from the highway right of way at any
11 portion of the right of way where the department has acquired rights of ac-
12 cess to the highway or rights of access have not accrued to the abutting
13 property. If there is no permit for the outdoor advertising sign, then the di-
14 rector shall require removal of the outdoor advertising sign. In addition, the
15 department may recover from the owner of the sign or outdoor advertising
16 sign or from the person erecting, maintaining or servicing the sign or out-
17 door advertising sign, the amount of damage to landscaping, sod, fencing,
18 ditches or other highway appurtenances resulting from such acts. If a permit
19 is canceled under this subsection, an outdoor advertising sign may not be
20 relocated under ORS 377.767.

21 “[10)(a)] (11)(a) The director may cancel a permit, unless a corrected
22 application is filed or the outdoor advertising sign is brought into compli-
23 ance within 30 days after written notice thereof is mailed to the permittee,
24 if the director finds:

25 “(A) The applicant has knowingly supplied materially false or misleading
26 information in the application for a permit or renewal thereof; or

27 “(B) The **outdoor advertising** sign covered by the permit violates ORS
28 377.700 to 377.844.

29 “(b) If a permit is canceled under this subsection, an outdoor advertising
30 sign may not be relocated under ORS 377.767, and the holder of the permit

1 is not entitled to a relocation credit.

2 “[~~(11)~~] (12) The director shall cancel a permit immediately upon failure
3 of a permittee to erect or maintain the outdoor advertising sign as described
4 by the permit application and to attach a permit plate to the **outdoor ad-
5 vertising** sign 180 days after the date of issuance of the permit.

6 “[~~(12)~~] (13) The director shall assign a permit plate with an identification
7 number to the permit issued for an outdoor advertising sign. The permittee
8 shall attach the permit plate to the outdoor advertising sign so the plate is
9 visible from the adjacent state highway. The absence of a permit plate or
10 failure to renew the permit annually is prima facie evidence that the outdoor
11 advertising sign does not comply with ORS 377.700 to 377.844.

12 “[~~(13)~~] (14) Except as otherwise provided in ORS 377.712, 377.753 and
13 377.765, no permits shall be issued for the erection of any new outdoor ad-
14 vertising sign after May 30, 2007.

15 “[~~(14)~~] (15) The director may establish more than one class or type of
16 outdoor advertising sign permit as necessary or desirable to carry out ORS
17 377.700 to 377.844.

18 “[~~(15)~~] (16) Any hearing under this section shall be conducted as a con-
19 tested case hearing under ORS chapter 183.

20 **“SECTION 48. Section 46 of this 2018 Act and the amendments to
21 ORS 377.725 by section 47 of this 2018 Act apply to partial and total
22 losses suffered by owners of outdoor advertising signs on or after the
23 effective date of this 2018 Act.**

24 **“SECTION 49.** ORS 377.756 is amended to read:

25 “377.756. (1) The Department of Transportation shall issue permits for the
26 erection of signs authorized by ORS 377.756 to 377.758. Subject to subsections
27 (2) and (3) of this section, permits shall be issued at no cost to any city or
28 county that applies or to any nonprofit or civic applicant approved by a city
29 or county. Each permit entitles the holder of the permit to erect one sign in
30 accordance with this section.

1 “(2) Each city may be given permits under this section entitling the city
2 to erect [*not more than two*] signs that are visible from state highways and
3 that are within the city limits or, pursuant to a memorandum of under-
4 standing with appropriate federal authorities, are no more than one mile
5 outside of the city limits. The permits may be given directly to the city or
6 may be given to a nonprofit or civic organization designated by the city
7 governing body.

8 “(3) Each county may be given permits under this section entitling each
9 unincorporated community identified in the county comprehensive plan, as
10 defined in ORS 197.015, to erect [*not more than two*] signs that are visible
11 from state highways and that are within one mile of the community growth
12 boundary as designated by the county. The permits may be given directly to
13 the county or, if the county governing body so authorizes, to an unincor-
14 porated community or a nonprofit or civic organization designated by the
15 county governing body.

16 “[(4) *The department may not issue more than 200 permits under this sec-*
17 *tion.*].”

18 In line 19, delete “16” and insert “50”.
