AGENDA (Cont.)

March 18, 2020

1. Identify actions to support low-income and vulnerable Oregonians and small businesses as they comply with public health guidance. These actions could include short-term economic relief, protection from housing instability, and support for those not eligible for state programs (such as sick leave and unemployment insurance).
2. Make timely budget and policy recommendations to the Legislature to accomplish the goal above.

Send materials or presentations to the email at the top of the agenda 24 hours in advance of the meeting date. All submissions will be posted and made public on the Oregon Legislative Information System (OLIS).
