

80th OREGON LEGISLATIVE ASSEMBLY
TASK FORCE ADDRESSING RACIAL DISPARITIES IN HOME OWNERSHIP

TASK FORCE FINAL REPORT SCHEDULE

The Task Force submitted a preliminary report in September of 2019 that included a commitment to submit a final report by the end of 2019. Staff will primarily be developing the report from materials previously discussed, reviewed, or approved by the Task Force.

SUMMARY

House Bill 4010 (2018) required the Task Force to report by September 15, 2019 on the following items:

1. Data on homeownership among communities of color
2. Mortgage loan approval practices and procedures, including any discriminatory practices
3. Barriers to homeownership, including created or maintained barriers for mortgage loan approval, or other barriers that reduce or prevent home ownership
4. Task Force recommendations

While most of these materials have been discussed, reviewed, or approved during Task Force meetings, staff would like to involve Task Force members in reviewing the draft document. The final report draft will be sent to the Task Force by December 6 for its review by December 13. Comments and edits from the Task Force will be incorporated into a final report draft to be reviewed and approved by the Co-Chairs.
