A BILL FOR AN ACT

Relating to firearm safety requirements; and declaring an emergency.

Whereas on December 11, 2012, 54-year-old Cindy Ann Yuille and 45-year-old Steven Forsyth were shot and killed in the Clackamas Town Center with a stolen AR-15 style assault weapon; and

Whereas the assault rifle used to kill Cindy Ann Yuille and Steven

NOTE: Matter in boldfaced type in an amended section is new; matter [italic and bracketed] is existing law to be omitted. New sections are in boldfaced type.
Forsyth had been stolen after being left unsecured with a fully loaded 30 round ammunition magazine by its lawful owner; and
Whereas the lawful owner of the assault rifle failed to report the weapon stolen to any law enforcement agency upon discovering the theft of the weapon; and
Whereas the lawful owner of the weapon used in the Clackamas Town Center shooting had no legal obligation under Oregon law to safely secure the firearm or to report the theft of the weapon; and
Whereas on average 10 children under the age of 18 commit suicide in Oregon each year with firearms that were not safely stored and secured to prevent child access; and
Whereas Oregon has a per capita suicide rate above the national average; and
Whereas the percentage of suicides that are firearm suicides in Oregon is also above the national average; and
Whereas a proven barrier to the impulse to commit suicide is securing firearms with a lock or storing firearms in locked containers; and
Whereas there are a number of children who are injured in Oregon each year with firearms that were not safely stored and secured to prevent child access; and
Whereas the lack of a safe storage law in Oregon contributed to more than 22,000 firearms being lost or stolen in Oregon over the past 10 years; and
Whereas two-thirds of all school shootings in the United States from 1974 through 2000 involved weapons taken by the attackers from their home or from the home of a relative, and many of these shootings would have been prevented if the firearms used had been secured and safely stored; and
Whereas simple common-sense actions including safely storing and transferring firearms, promptly reporting to law enforcement officials the loss or theft of firearms and supervising children when they use firearms would prevent many deaths and injuries in Oregon; and
Whereas the Cindy Yuille and Steven Forsyth Act can be effective in significantly reducing gun violence and suicide in Oregon without imposing criminal penalties; and

Whereas everyone has the right to be free from gun violence; now, therefore,

Be It Enacted by the People of the State of Oregon:
