---

To Whom it may concern,

As a native Oregonian I'm appalled by our state government's attempt to impose the LC 19 Cap & Trade bill upon it's citizens. The negative impact on Oregon tax payers/workers for the sake of an agenda to save the world is unconscionable! We the people can't afford to be pawns in a game that creates another Bureaucracy.

Please do what's right and cancel this proposed bill!
