Subject: Oppose Costly Cap-and-Trade Bill
Date: Wednesday, January 15, 2020 1:30:10 PM

Dear Chair Dembrow,

Oregon is the 6th cleanest state in the nation. This bill will have no impact on global carbon emissions. It feels very punitive, in fact, Kate Brown is on record saying "revenge is a dish best served cold and slow". I urge you to vote NO on cap and trade.

Sincerely,

Eric Kirsch
