Subject: Oppose Costly Cap-and-Trade Bill
Date: Wednesday, January 15, 2020 1:30:09 PM

Dear Chair Dembrow,

This Cap and Trade bill is just like the last one and will only hurt rural people already living below the median income for Oregon. My net income from a 90 cow operation for 2019 was \$1600 a month average while my expenses were \$2000 a month average. This bill will only increase my expenses and lower my living income. WHY? Only conclusion to come to is the open war democrats are waging against rural citizens.

Sincerely,

Mark Talcott
