Subject: Oppose Costly Cap-and-Trade Bill
Date: Wednesday, January 15, 2020 1:30:08 PM

Dear Chair Dembrow,

I strongly oppose your cap and trade bill. It puts a large burden on everyone especially farmers and ranchers who are already operating on a narrow margin. Also the sad thing is it will do nothing to help with climate control; it will only provide you with more money to waste on pet projects. I don't know how you can, in good conscious, promote this bill as helping the environment. You are being totally irresponsible.

Sincerely,

Richard Siemens
