**Subject:** You will not get away with trashing our constitutional rights!  
**Date:** Tuesday, January 14, 2020 5:29:26 PM

---

What you are all attempting is in direct violation of any and all oaths to uphold the constitution. You will not make anyone safer but will indeed succeed in making many less safe. WILL NOT BE INFRINGED is pretty clear in the second amendment. Don't expect many to comply. You are all gutless and kinda evil. TRUMP 2020.
