My 5 year old daughter is very alarmed about the fires in Australia and the fate of the koalas. She has drawn a picture and written a letter to the legislators about stopping climate pollution. Can you please add it the record in support of LC 19, the climate policy bill (attached)?

Thank you,
Anthony (and Maeve)

Dear
Legislators,
I hope the
fires stop

killing Koalas.
Please do your Best,
to help stop
Pollution.

Thanks, Maeve v. I am 5.
