Subject: Oppose Costly Cap-and-Trade Bill
Date: Thursday, January 16, 2020 8:50:06 PM

Dear Chair Dembrow,

Please oppose the Cap-and-Trade Bill (LC19). We farm in your district. We raise broiler chickens, cows and hay. The additional fuel costs and electricity costs will have to be absorbed by us. We would not get any compensation for the higher costs of propane or electricity from the company we raise chickens for or from the sale of the cattle or hay. More needs to be done to address our concerns and find a better way to make things fair. We are also concerned for the loggers who would be greatly affected by this bill as well. Thank you for listening and please oppose the Cap and Trade bill.

Sincerely,

Ed H Heilman
