Subject: Oppose Costly Cap-and-Trade Bill
Date: Friday, January 17, 2020 8:10:07 AM

Dear Chair Dembrow,

Farmers have a limited ability to recoup any added costs of production. Additional fuel costs or higher fertilizer prices can't simply be passed to the customer. That means that any extra costs associated with cap-and-trade must be absorbed by family farms and ranches. Our family can't afford these added costs. Thank you for listening to my concerns.

Sincerely,

Richard Macy
