Subject: Oppose Costly Cap-and-Trade Bill
Date: Friday, January 17, 2020 11:00:05 AM

Dear Chair Dembrow,

I want to let you know that I oppose the Cap and Trade bill that will be considered in the current legislative session. I'm sure you know that fuel and electric costs are already very high.

I don't look forward to paying more for diesel fuel to run my tractor to cut, rake and bale hay or feeding cattle.

In addition, I don't believe this bill will do anything to reduce carbon. It will cause me to incur more costs to run my farm.

Thanks,
Craig

Sincerely,

Craig Herman
