Once again you children refuse to understand common sense. This bill nor any of the like will NEVER decrease any violent Criminal act. It will ONLY serve to disarm honest innocent citizens of tools to defend themselves. A CRIMINAL is just that and has ZERO REGARD for law and will NOT ever abide by your laws of stupidity & oppression. On average it takes seconds for a criminal to break into a home or business; average 10 minutes for police to arrive (by then the police are no more than a clean-up crew of the mess you create); an armed, trained civilian....1 1/2 to 6 seconds to end the terror forced upon them by a criminal that knows he will not have any resistance. You of Oregon Congress & even the Governor are sponsoring tyranny and need to be voted out of office and even prosecuted for violating your oaths of office.
