---

Oregon Leadership,

I am writing in support of a strong cap and invest policy. I support LC 19 with improvements for climate along with a strong climate legislation for Oregon's future! I am a healthcare worker, community educator, and radio host terrified of what is to come of our climate crisis! Please prioritize the future of our planet and our children over short term financial gain!

Michael Stout

"The most ethical diet just so happens to be the most environmentally sound diet and just so happens to be the healthiest."
