Subject: Support FOR LC19
Date: Friday, January 17, 2020 8:42:00 PM

I am a small business owner in Bend, OR and very concerned about climate issues in Oregon and in the world.

I am writing in SUPPORT of LC19 and getting it passed. I want Oregon act as a model for healthy future of this state itself and as the United States.

Get it passed this time!! Please!
