Subject: LC 19
Date: Saturday, January 18, 2020 11:59:19 AM

Dear legislators,

I have lived in Oregon since 1981. It is long past the time when we should have been taking steps to slow the harmful effects of climate change. I support a strong cap and invest policy. The current legislation will take positive steps in lessening our carbon emissions while not doing irreparable harm to anyone.

Please support this bill.
