To all who represent our Oregon Community,

I support a strong Cap and Invest Policy. One that accurately reflects an acknowledgement that we are currently in a Climate Emergency and need to collectively mobilize to bring down our greenhouse emissions.

I support LC 19 with improvements for Climate. I support strong climate legislation for Oregon's future!

I am a parent, a sister, and a friend. I am a citizen that takes a stand and speaks the truth.

Thank you for taking my convictions into account.
