Subject: Support for LC 19
Date: Sunday, January 19, 2020 10:51:21 AM

Dear Senate Republicans,

I am writing to express support for LC 19, and a strong cap and investment policy.

I am a parent and a grandparent and I am in favor of strong climate legislation for the future of Oregon, the planet and our children's children.

Sincerely,

Bob Llewellyn
