Subject: Climate Action
Date: Monday, January 20, 2020 1:06:58 PM

I support a strong cap and invest policy !

We must take action NOW to mitigate climate change. As is obvious from the weather we are in trouble now, and need to act FAST.!

If we continue to be in denial and just be concerned about profits, it will come back to haunt us. And what about our children and grandchildren? What kind of a planet will we be leaving them????

Sincerely,
Irene Bernstein
