Subject: I support climate legislation in Oregon
Date: Monday, January 20, 2020 1:07:33 PM

To all our legislators:

I support strong climate legislation for Oregon. I am 66 years old and would like to leave a legacy of a better world for our children and grandchildren. I remember the environmental damage we did when I was a child and we are now paying the price for this. We need to DO SOMETHING NOW to reverse this. A dying world is a terrible legacy to leave.

Lois Douglas Brooks
