Subject: Greenhouse Gas Emissions Reduction
Date: Monday, January 20, 2020 3:31:34 PM

To whom it may concern,
I am a rural Oregonian and I support a strong greenhouse gas emissions reduction and bill and program. Along with other rural Oregonians I have already suffered the effects of climate change. My area of Southern Oregon has been heavily impacted by smoke due to fires and the threat of increased fires. I urge the passage of a strong greenhouse gas emissions reduction bill.
Sincerely,
Cathy Egelston
