Subject: carbon regulation bill
Date: Tuesday, January 21, 2020 10:18:17 AM

Dear Senator Roblan,

I am writing in support of LC19. I am a citizen of Oregon and the World, and a parent, and I am very concerned, i.e. terrified, about global warming. I would like for Oregon's Climate Legislation to be a model for the country and the World.

Thanks for listening.

Jerry J Robbins
