**Subject:** Support for carbon reduction/cap and invest legislation  
**Date:** Monday, January 20, 2020 7:37:22 PM

---

Hello, I am a 64-year-old voter, retired public health nurse practitioner, mother and grandmother and a resident of Eugene OR. I support a strong carbon cap and invest policy, and even stronger climate legislation of all types to protect our future.

Please support these bills as they move thru the legislature in 2020.

Many thanks,

Linda Heyl
