**Subject:** Support for climate legislation in Oregon  
**Date:** Tuesday, January 21, 2020 3:04:13 PM

---

I support a strong cap and invest policy for climate legislation (SB 1530) improving Oregon's future.

I am grandparent and small business owner concerned about the risk of climate-triggered events (fires, floods, power-outages). A community of support is needed. Now is the time to act.
