Subject: SB 1530 TESTIMONY IN SUPPORT OF STRONG CLIMATE ACTION
Date: Wednesday, January 22, 2020 12:15:54 PM

Hello,

I'm an Oregon farmer, mother and grandmother. Our family has worked the Oregon land for 3 generations.

Thank you for the work you've done and continue to do for the climate crisis.

Oregon's most vulnerable populations need strong climate action. People in poverty have the most to lose under climate change natural disasters and have fewer resources to bounce back.

Rural Oregon needs strong climate action. They are on the front lines of climate change. From ranchers in Union County to tree farmers from Clackamas County to farmworkers in the Willamette Valley, there are strong voices from rural Oregon calling for action and their voices shouldn't be ignored.

I hope you will support changes to this bill and support the passage of bold climate action in 2020. We can't wait any longer.

Sincerely,
Donna Grubbs
The Dalles, Oregon
