Subject: SB 1530: STRONG CLIMATE ACTION TESTIMONY
Date: Thursday, January 23, 2020 4:01:13 PM

Dear Chair Dembrow, Vice Chair Olsen and Members of the Senate Interim Committee on Environment and Natural Resources,

My name is Gail Streicker. I'm a longtime Oregonian and I live in Portland. Thank you for your continued work on the critical issue of the climate emergency.

If our planet is to remain inhabitable for humans, it is urgent that we take action now.

As written, this bill would pay fossil fuel polluters to continue business as usual. We can't afford business as usual. We cannot allow legislation to move forward that is climate action in name only, while it fails to hold large polluters accountable.

This issue is too important for us to turn our backs while our forests burn, our fish die, and water runs out in parts of our state. We can't wait any longer.

Yours sincerely,

Gail Streicker
