**Subject:** I Support Strong Climate Legislation!  
**Date:** Wednesday, January 22, 2020 2:19:48 PM

---

I am a grandparent, a church goer, a lover, a believer in the common good. I am appalled at the destruction of our planet, our climate, our home by greedy industrialists. We are experiencing the deadly impacts of the climate crisis in Oregon. I support LC19 with improvements for climate change.

Do the right thing!

Sincerely,  
Susan Lalor
