Subject: SB 1530: STRONG CLIMATE ACTION
Date: Thursday, January 23, 2020 8:49:19 PM

Dear Chair Dembrow, Vice Chair Olsen and Members of the Senate Interim Committee on Environment and Natural Resources,

My name is Mary Neuendorf, I'm a longtime Oregonian living in Salem. Thank you for your continued work on the critical issue of the climate emergency.

I want to leave my children and grandchildren a healthier world. We can only do that through addressing the climate crisis

As written, this bill would pay fossil fuel polluters to continue business as usual. We can't afford business as usual. We cannot allow legislation to move forward that is climate action in name only, while it fails to hold large polluters accountable.

I hope you will support changes to this bill and support the passage of bold climate action in 2020. This issue is too important for us to turn our backs while our forests burn, our fish die, and water runs out in parts of our state. We can't wait any longer.

Yours sincerely,

Mary Neuendorf
