---

Hello,

I wanted to register my strong support of LC 19 to cap greenhouse emission. I support a strong cap and invest policy.

I am a longtime Oregonian who very much appreciates the nature that we are blessed with in our state. I'm also a parent who wishes my child and future grandchildren to have this opportunity as well.

Climate change is real and it's already upon us. Please do all that you can to be of help. Thank you,

Scott Sandberg
