

January 27, 2020

Senator Michael Dembrow
Chair, Senate Interim Committee on Environment and Natural Resources
Oregon State Legislature
900 Court St. NE, Salem, OR 97301

Dear Senator Dembrow,

The Carbon Pricing Bill that is currently being considered for Oregon is overdue. We need to act urgently on climate change in our state by reducing carbon emissions. I am convinced that legislation is the most important way to ensure meaningful change. Thank you for supporting this bill.
