Subject: CAP & TRADE BILL
Date: Sunday, January 26, 2020 12:09:46 PM

For those of you who opposed CAP & TRADE during the last session, we appreciate your effort.

We especially applaud those who had the courage to leave town in order to defeat the CAP & TRADE bill and should encourage others to do the same, should it become necessary.

CAP & TRADE will have a very negative effect on all Oregonians. For those of us in the rural areas it will be similar to someone being told they have stage 4 cancer.

We will be attending the Timber Unity rally on Feb 6th and hope to meet you there.

Your support is greatly appreciated.
