Subject: Oppose Costly Cap-and-Trade in SB 1530
Date: Monday, January 27, 2020 9:00:09 PM

Dear Chair Dembrow,

SB 1530 will not help our family farm. In the first year alone the cost burden is over \$3,000. which will only increase every year under SB 1530. this is irresponsible and harms my family and community. We urge you to oppose SB 1530. Thank you for listening to my concerns and voting "no" in 2020

Sincerely,

Ed H Heilman
