Subject: Oppose Costly Cap-and-Trade in SB 1530

Dear Chair Dembrow,

You sound like the sheriff in Robin Hood - double the taxes, triple the taxes - we'll make them pay for all those who choose not to work.

We have no way to recoup the cost of more taxes. Our prices are set for us on both ends- income and expenses.

If all the environmental groups are in favor let them cover the cost.

Farmer

Sincerely,
