Subject: Support a strong LC 19
Date: Friday, January 24, 2020 5:43:33 PM

Dear Senators:

I support strong climate legislation for Oregon's future. The time is now to address climate change, before its too late. The science is strong, and the political will needs to match it.

Thank you.

Jane Heisler, 2731 SE Harrison St., Portland Oregon 97214.
