Subject: SB 1530: STRONG CLIMATE ACTION TESTIMONY
Date: Tuesday, January 28, 2020 5:53:20 PM

Dear Chair Dembrow, Vice Chair Olsen and Members of the Senate Interim Committee on Environment and Natural Resources,

I'm a retired state employee living in Salem. Please consider this bill as if your life depended on it. We are running out of time. It may already be too late. The sky really is falling. The scientists are screaming into too many deaf ears. Please, just look around and see what's happening. Now is the time to take strong, meaningful action. Thank you.

Yours sincerely,
MELANIE TOZIER
