Subject: Oppose Costly Cap-and-Trade in SB 1530
Date: Monday, January 27, 2020 9:00:05 PM

Dear Chair Dembrow,

Hello, I am a farmer in the Mid-Columbia area and have deep concerns with cap and trade. I see the continual creep in costs to farm and this is one more thing we would be forced to absorb. It is unfair to rural areas and makes us less competitive. Please oppose cap and trade.

Sincerely,

Fritz Ellett
