Subject: Fwd: SB 1530: TESTIMONY IN SUPPORT OF STRONG CLIMATE ACTION
Date: Wednesday, January 29, 2020 8:53:22 PM

My name is Jessica Loomis, and I am an Oregon educator and a concerned mother. Thank you for your continued work on climate change. However, SB 1530 needs to be stronger to reduce pollution from fossil fuel natural gas and increase investments for the clean economy. It needs to be stronger to reduce green house gases from oil companies all across the state. And investments into communities most affected by climate change--rural, low-income, Tribes, and communities of color--need to be guaranteed. Oregon's most vulnerable populations need strong climate action. People in poverty have the most to lose under climate change natural disasters and have fewer resources to recover.

I hope that you will support changes to this bill and support the passage of bold climate action in 2020. We can't wait any longer.

Sincerely,

Jessica Loomis
