

Hello,

I'm writing to ask that the committee to address these specific issues to support the most vulnerable members of our community, including our houseless neighbors. Please Identify actions to support low-income and vulnerable Oregonians and small businesses as they comply with public health guidance. These actions could include economic relief, protection from housing instability, and support for those not eligible for state programs (such as sick leave and unemployment insurance).

Please, Make timely budget and policy recommendations to the Legislature to accomplish the goal above.

Thank you so much!

Appreciate it.

Sincerely,  
Mitzy King, MSW
