

Hello,

Thank you for making the opportunity for public comment.

Oregonians, particularly low wage workers, need swift decisive action on rental relief right now: a freeze on rents and mortgages, and/or rental/mortgage payment assistance, that is easy to use and access. Eviction moratoria are a good start, but for many people those wages will never get recovered, and many of them (the one in Portland) requires showing proof of lost income which not everyone who is impacted can prove. Allow people not to pay rent during this state-declared emergency that is preventing many people from working, particularly those in low wage service type jobs who likely don't have savings to fall back on.

Sincerely,

Jesse Smith
