Dear Co-Chairs Holvey,

As a business owner, I am writing today to share the impacts the current COVID-19 health crisis is having on my business, my employees and my family.

We have a lifestyle magazine publishing business and employee 15 people, Advertising is our primary source of income and we've already had a large number of cancelled contracts. Many of our clients are in the tourism industry and we are feeling a direct and swift impact. We are waiting until April 2nd before we start layoffs in hopes that there will be some help on the way.

These are hard times for all of us. I encourage you to support our business community as we deal with the astonishing economic disruption that has accompanied this health crisis.

Thank you, Heather Johnson
