

Dear Co-Chairs Holvey,

As a business owner, I am writing today to share the impacts the current COVID-19 health crisis is having on my business, and my family. I have a private psychotherapy practice in Lake Oswego, Oregon in Clackamas County. While I have moved all appointments to video sessions, many of my clients have lost jobs or are not spending any disposable income and I have already lost 1/2 of my clients and expect more to start canceling.

These are hard times for all of us. I encourage you to support our business community as we deal with the astonishing economic disruption that has accompanied this health crisis.

Sincerely,

Christina Wall
