

Dear Co-Chairs Holvey and Roblan,

As a business owner, I am writing today to share the impacts the current COVID-19 health crisis is having on my business, my employees and my family.

I have had to lay off over 30 employees, shutter any and all business activity. I still have to pay my monthly bills and rent. I don't know what I will be left with after all this is over.

2 Business's Closed for Business until further notice.
