

I am a landlord who is also a Bartender. Not only am I stressing out how I myself am going to pay my mortgage. I also am worried that I am going to have to cover my tenants rent for this month. This stress has made this whole situation so much more stressful. Please keep people like me in mind when you make your decision. We are all not rich who own a rental. I feel like most are struggling just as much as the renters.

Sincerely,
Shenoah Sullivan
Homeowner, bartender, and landlord Bend Oregon
